

Cracotti

Delicious double-baked savoury crackers

Double-baked like biscotti, but delicately cut to create the ultimate savoury slices, these Cracotti are very different – and very special.

Cracotti

Double-baked like biscotti, but delicately cut to create the ultimate savoury slices, these Cracotti are very different – and very special.

See for yourself. Each hand-cooked cracker is slightly different from the next, giving it a truly unique appearance and texture.

They're full of flavour too. Because with us, what you see is what you get. There's nothing but goodness in these tasty morsels. It's what makes our crackers deliciously special.

A treat to savour...

A healthy choice:

- ✓ Hand-made, preservative free
- ✓ Contains seeds, rich in Omega 3, 6 and 9
- ✓ No artificial flavourings or colourings
- ✓ Low in saturated fat and salt
- ✓ Zero trans fats

Serving suggestions:

Our Cracotti taste great on their own, but they're even better served with your favourite cheese, charcuterie or dips – perfect for canapés.

See inside tray for some cracking good combinations.
